

detecting and preventing oral and medical conditions. We're committed to providing accessible and affordable dental coverage, especially to the more than 108 million Americans currently without dental insurance," said Tom Dzuryachko, president and chief executive officer. "Studies show that people without dental insurance are not as likely to seek the care needed to maintain a healthy smile. *Concordia Access* provides a solution to this problem."

*Concordia Access* members also save on eye exams, eye care products and laser surgery through United Concordia's affiliate, Davis Vision, one of the nation's leading eye care and vision providers.

"This product addresses the need for a more affordable price point that still covers basic services like exams, x-rays and cleanings, while offering significant savings on most other procedures. In addition, our employers, producers and members will continue to receive the same quality service and care that they've grown accustomed to with all our products," notes F.G. "Chip" Merkel, senior vice president and chief marketing officer.
