

**HACC's Dental Hygiene Clinic, Harrisburg Area Dental Society, United Concordia Dental and Davis Vision team up to provide free dental and vision screening**

**WHAT:** Harrisburg Area Dental Society dentists will conduct free restorative services for children, and Davis Vision eye care professionals will conduct free vision screenings for children who are uninsured or have minimal insurance coverage. For children in need of follow-up services after the initial screening, a voucher will be provided for a complimentary eye examination and a **free** pair of eyeglasses from Total Vision Care in Camp Hill, Pa.

HACC Dental Hygiene student volunteers will provide oral hygiene instruction, assist dentists with restorative care and perform additional preventive services. HACC is donating use of the facility.

HACC's Lebanon Campus Vice President and Dean Kathy Kramer, Lebanon County Head Start Services Coordinator Kristina Slick, and other volunteers will accompany a busload of children from the Lebanon Head Start program to participate in the clinic. These children previously were served by HACC at an area clinic that has closed.

Different youth groups are targeted each year. In addition to the Lebanon Head Start group, free dental and vision services will be given to children from a Harrisburg community center and children screened at the Whitaker Center in conjunction with the current exhibit on toothbrushes.

United Concordia will provide goody bags with toothbrushes, dental floss, oral hygiene education and information, as well as toys for children.

**WHEN:** **Saturday, March 28, 2009**  
**9 a.m. – 3 p.m.**

**WHERE:** HACC Dental Hygiene Clinic  
Select Medical Health Education Pavilion, Room 102
