

Antonio Hispanic Chamber of Commerce, A.J. Rodriguez.

Recent research has shown that dental health is linked to conditions such as heart disease, diabetes, stroke and even premature birth. Representatives from United Concordia will be on hand at the Healthcare Summit to help San Antonians educate themselves, their families and ultimately, their businesses, on how good oral health can have a significant impact on one's overall health.

###

About United Concordia

United Concordia Companies, Inc., headquartered in Harrisburg, Pa., is one of the nation's largest dental insurers with nearly 7.1 million members worldwide. In 2005, United Concordia processed more than 11 million claims and attained revenues in excess of \$1 billion. For more information about United Concordia, visit www.unitedconcordia.com.
